The application has been amended as follows:

2. This application is in condition for allowance except for the presence of claims 6 to 10 non-elected without traverse. Accordingly, claims 6-10 have been cancelled.

3. The following is an examiner's statement of reasons for allowance: applicants' arguments filed on October 07, 2004 are convincing. The prior art does not teach nor fairly suggest the selectively moistening of the fibers/web using a moistening belt as claimed. Applicants' arguments with respect to the 112 rejection overcome said rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
